

AMMO & VITALS STATES

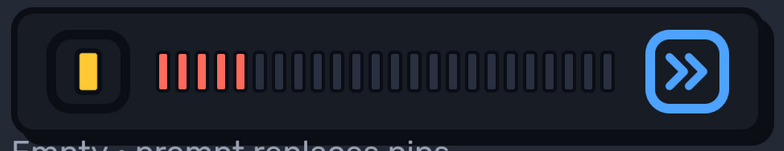

Full magazine 24/24

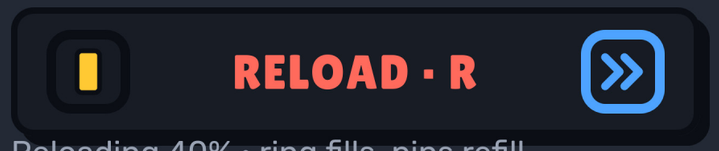

Mid 14/24

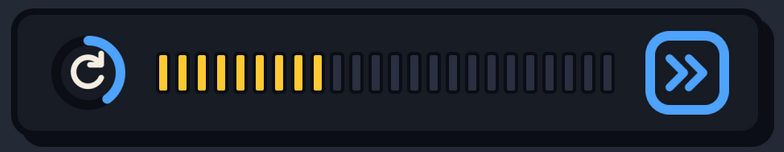

Low (≤25%) 5/24 • pips turn red

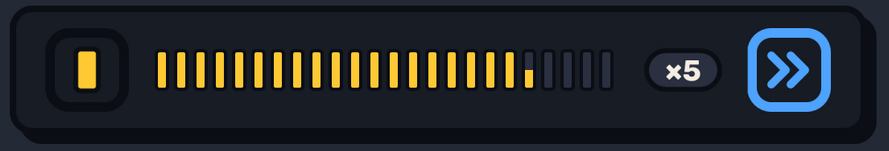

Empty • prompt replaces pips

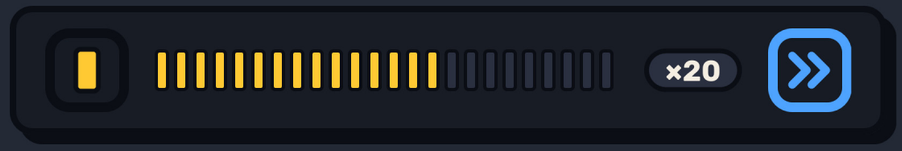

Reloading 40% • ring fills, pips refill

Mod: 120-round mag • 1 pip = 5 rounds

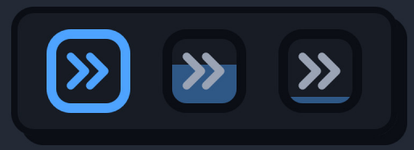

Mod: 480-round mag • 1 pip = 20 rounds

SCALING RULE

Never more than 24 pips. Each pip = ceil(mag ÷ 24) rounds, shown by a small ×N tag. A half pip means a partly full group. Reserve ammo is unlimited, so no reserve count is shown. The icon on the right is the dash cooldown.

Dash cooldown • ready, 60% recovered, just used

Health full • stamina 78%

Taking damage • pale ghost bar drains after a delay

Stamina empty

Health uses 10 segments (10 HP each). Colours follow the menu: red for health, blue for stamina, yellow for ammo.
